Scottsdale, Arizona
Talking Stick Resort | April 20 - 22

DroneSense Innovation Summit by Versaterm

Scottsdale, Arizona
Talking Stick Resort | April 20 - 22

Monday, April 20, 2026

2:00pm	Registration Open
7:00pm	Welcome Reception Begins
8:00pm	Registration Closed
10:00pm	Welcome Reception Ends

Conference Day 1

Tuesday, April 21, 2026

Main Conference Day 1 – See Page 2

Conference Day 2

Wednesday, April 22, 2026

Main Conference Day 2 – See Page 3

Conference Day 1

Tuesday, April 21, 2026						
7:30am	Breakfast & Delegate Services Desk Open					
8:30am	Plenary Sessions					
10:30am	Break & Move to Sessions					
10:40am	1A.01 Classroom Training Crime Scene & Accident Investigations Using Drones	1A.02 Classroom Training How DFR is Changing First Response	Indoor/Drop-In Remotely Operate a DFR Drone with The Experts	Outdoor/Drop-In Public Safety Use Cases in Action		
11:30am	Break					
11:40am	1B.01 Classroom Training Integrating Drones into Everyday Public Safety Operations and Systems	1B.02 Classroom Training Building a Compliant and Defensible Public Safety UAS Program	Indoor/Drop-In Remotely Operate a DFR Drone with The Experts	Outdoor/Drop-In Public Safety Use Cases in Action		
12:30pm	Lunch					
1:30pm	1C.01 Classroom Training Managing Large-Scale & Multi-Agency Drone Operations	1C.02 Classroom Training Understanding the Current Beyond Visual Line of Sight (BVLOS) Regulations	Indoor/Drop-In Remotely Operate a DFR Drone with The Experts	Outdoor/Drop-In Public Safety Use Cases in Action		
2:20pm	Break					
2:30pm	1D.01 Classroom Training Mapping & 3-D Modeling for Public Safety Operations	1D.02 Classroom Training Understanding the 2025 NDAA for Public Safety Agencies	Indoor/Drop-In Remotely Operate a DFR Drone with The Experts	Outdoor/Drop-In Public Safety Use Cases in Action		
3:20pm	Break					
3:30pm	1E.01 Classroom Training Open Discussion with DroneSense R&D	1E.02 Classroom Training Airspace Safety: Sharing the Skies with Crewed Aviation	Indoor/Drop-In Remotely Operate a DFR Drone with The Experts	Outdoor/Drop-In Public Safety Use Cases in Action		
4:20pm	End of Day 1 Sessions					
	Evening Social					
	Legend					
	Public Safety Missions in Action	Airspace, Policy & Safety Foundations	Technology, Data & Integration	Innovation, Training & the Future of UAS	Hands-On Experience	Live Flight Demonstrations

Conference Day 2

Wednesday, April 22, 2026

7:30am	Breakfast & Delegate Services Desk Open					
8:30am	Plenary Sessions					
10:30am	Break & Move to Sessions					
10:40am	2A.01 Panel Discussion DroneSense Hardware Partners	2B.02 Classroom Training Building a Compliant and Defensible Public Safety UAS Program (R)	Indoor/Drop-In Remotely Operate a DFR Drone with The Experts	Outdoor/Drop-In Public Safety Use Cases in Action		
11:30am	Break					
11:40am	2B.01 Classroom Training Integrating Drones into Everyday Public Safety Operations and Systems (R)	2B.02 Classroom Training Tactical & Indoor Drone Operations for High-Risk Scenarios	Indoor/Drop-In Remotely Operate a DFR Drone with The Experts	Outdoor/Drop-In Public Safety Use Cases in Action		
12:30pm	Lunch					
1:30pm	2C.01 Classroom Training Search & Rescue by Air: Lessons from the Field	2C.02 Classroom Training Understanding the Current Beyond Visual Line of Sight (BVLOS) Regulations (R)	Indoor/Drop-In Remotely Operate a DFR Drone with The Experts	Outdoor/Drop-In Public Safety Use Cases in Action		
2:20pm	Break					
2:30pm	2D.01 Classroom Training Fire & EMS Operations: Drones on the Fireground	2D.02 Classroom Training Managing Large-Scale & Multi-Agency Drone Operations (R)	Indoor/Drop-In Remotely Operate a DFR Drone with The Experts	Outdoor/Drop-In Public Safety Use Cases in Action		
3:20pm	Break					
3:30pm	2E.01 Classroom Training Bring Your Own Challenge: Navigating UAS Regulations Together	2E.02 Classroom Training Crime Scene & Accident Investigations Using Drones (R)	Indoor/Drop-In Remotely Operate a DFR Drone with The Experts	Outdoor/Drop-In Public Safety Use Cases in Action		
4:20pm	End of Summit					
Legend						
	Public Safety Missions in Action	Airspace, Policy & Safety Foundations	Technology, Data & Integration	Innovation, Training & the Future of UAS	Hands-On Experience	Live Flight Demonstrations

*(R) - Repeat Session
